

Directions for Ridgewell Airfield

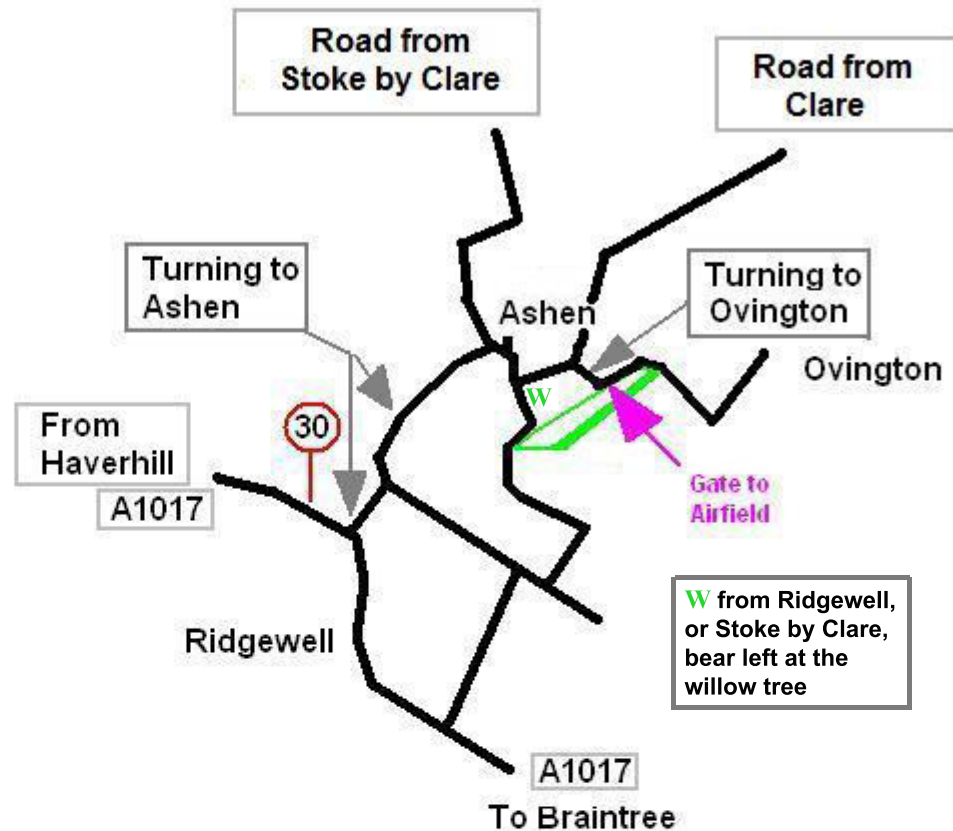

From London:

Take M11. Leave at Junction 9 for A11 towards Newmarket.

After 5 miles, leave A11 and join A1307 towards Haverhill.

After 9 miles, at roundabout, take A1017 towards Halstead and Braintree.

After 7 miles, reach Ridgewell village - see local directions below.

Local Directions

On **A1017** reach the **30 MPH sign at Ridgewell**. Look out for a turning to the **Left, for Ashen**, a few hundred yards after the 30 sign. Follow that road to Ashen. In Ashen, go up the main Street, past the church on the left, and then turn **Left** into Pannells Ash. After about 400 yards, turn **Right** (towards Ovington). The airfield is about 300 yards along that road. Turn the corner to the left, and look for the entrance to the airfield by the poplar trees.

Please note - after leaving the A1017, the lanes are narrow and sometimes only one vehicle wide. Please drive slowly and watch out for walkers, cyclists, horses, and ducks!
