

Essex Gliding Club

Committee Meeting Friday 30th March 2018

Those present;

Mike Harris, Dave Hertzberg, Allen Cherry, Will Burry, Vince Earl, Steve Jessop & Bernard Parry.

Apologies received from Chris Reed for his absence.

Accounts - Allen

Copies of report to committee also available upon request.

Additional comments:-

Discussion of membership payments to date & expected revenue.

Trailer storage payments to be chased.

Pawnee – needless strut inspection that was invoiced to EGC by VF for around £3000 plus, Allen will try to recover cost.

Aircraft - Vince

KRU is online & available at Rattlesden for use.

Manuals should be available for the operation/set-up of the new installed instruments.

Allen will provide setup details at the AGM.

Two glued together batteries used in the PW6 at Rattlesden have been mis-placed, need to be found.

John G has control rod for fitting into K13-EOE.

KRX needs full paperwork.

Cannot get a fixed date from John G for the ARC on KRX, only a vague, sometime in May. Mike H to look for another inspector for ARCs.

Equipment – Will

Winch, new batteries required. Will & Allen to check prices and supplier.

Agree that batteries should be stored in the container, Allen to sort out suitable container charging facilities.

Gas store – Agreed, this should be made more secure, Will has material for this.

Larger cable shuts required. Wormingford make them to order, Will/Allen contact Paul Rice to obtain a quote.

CASC – Steve J

Queries have been answered, application still being processed by HMRC.

Open Day

Agreed to a new date of Saturday 2nd June for our Open Day.

AOB - Reminders

Mike to remind all members of AGM & membership payments.

Gates – Agreed that entrance/exit gates need upgrading, when finance available.

Nissan hut rebuild, starting with front entrance.

Need a hand pump for the diesel tank.

Land sale – with solicitors & progressing.

Dave H volunteered to provide a marketing strategy aimed at getting new members.
