## This is the child protection policy for Essex Gliding Club

It aims to:

- Establish clear lines of communication for any child protection issue.
- Avoid confusion for instructors, officials, clubs and volunteers.

There is a considerable body of legislation, government guidance and standards designed to ensure that children are safeguarded from harm. These include:

- *Children Act 1989*
- *Children Act 2004*
- *Protection of Children Act 1999*
- *Human Rights Act 1998*
- *UN Convention on Rights of the Child*
- *Sexual Offences Act 2003*
- *Working Together to Safeguard Children 2010* document by the Department for Children, Schools and Families
- *Every Child Matters green paper*

Everyone who works with or around children, young people and vulnerable adults needs to be aware of the laws that aim to protect children from harm.

## ***Policy Statement***

### *Essex Gliding Club Duty of Care*

The Essex Gliding Club recognises that sport can and does have a very powerful and positive influence on young people. Not only can it provide opportunities for enjoyment and achievement; it can also develop valuable qualities such as self-esteem, leadership and teamwork. These positive effects can only take place if sport is in the right hands – in the hands of those who place the welfare of all young people first and adopt practices that support, protect and empower them.

Most youngsters happily and safely participate in sport under the watchful and concerned care of dedicated instructors and club members. However, the reality is also that abuse does take place in sport and in some cases members have been convicted. Every adult has a legal and moral responsibility to protect young people and disabled adults in sport from abuse.

The Essex Gliding Club recognises that we have a duty of care towards young and vulnerable participants and can help to protect them from abuse. (From *Guidelines for Governing Bodies of Sport and Local Authorities*, Sports Coach UK (NCF), NSPCC.)

The Essex Gliding Club recognises that for Child Protection purposes, a child refers to any person under the age of 18.

### *Principles*

Essex Gliding Club recognises that:

- The welfare of young people and vulnerable adults is the primary concern.
- All young people whatever their age, culture, disability, gender, language, racial origin, religious belief and/or sexual identity have the right to protection from abuse.
- It is the responsibility of the child protection experts to determine whether or not abuse has taken place but it is everyone's responsibility to report any concerns.
- All incidents of suspicious poor practice and allegations should be taken seriously and responded to swiftly and appropriately.
